

Riverside Primary 1

Transition Programme 2024-2025

Week beginning 29/04/24- Transition Project

A transition project will be emailed out to all nurseries. The context for this topic will be based around the book "Colour Monster Goes to School". The project will be sent out to all of our nurseries. This project will be started in nursery, there will be a wee activity for parents to do with their child over the summer holiday and then it will be carried on and completed the first weeks in Primary 1. The activity for parents to complete will be given to you by your child's nursery.

Week beginning 6/5/24 - Website Look out for our "P1 Transition Hub" appearing on our school website. This will be where we will share lots of the information that you will require for your child starting school. There will also be little videos, from key staff members and current P1's posted, in the coming weeks so please check this regularly. We will also encourage all of our nurseries to access this with the children whilst they are in nursery, during the spring/summer term.

Buddy Visit to the School Library

Wednesday 8th May 10-10.30am and 2.00-2.30pm

Children will have the opportunity to visit the school library and join with the P6 pupils, who will be the buddies after summer. They will be able to look at books and read stories. Children from our outlying nurseries will need to be accompanied by an adult that they are familiar with. If your child does not attend Riverside Nursery please call Mrs Quintin on 01786 237933 to let us know which session you would like to attend with your child.

Monday 13th May- 31st May

If your child is currently at one of our outlying (nurseries other than Riverside Primary Nursery) nurseries, during this time you are very welcome to make contact with Mrs Quintin (DHT) 01786 237933 to arrange a visit for your child to come down and join our other pre-school children in our nursery for a 1 hour stay and play session. Your child will be required to have a familiar adult stay with them for this session.

Week beginning 3/6/24 - Look out for a little delivery from the P6 children buddies this week.

Wednesday 5th June at 6.30pm-7.30pm P1 Parent's Induction Evening.

We are delighted to invite you all in to our school for our Induction Evening. Please come to our school main entrance on this evening and a member of staff will be able to show you to our hall. This session will be led by a member of the senior leadership team and the Primary 1 teachers. This is where we will give you all the information that you will need for your child starting school and you will have the opportunity to ask any questions and chat with other parents. It is on this night that you will be told who your child's teacher for Primary 1 will be.

This session is for parents only.

Thursday 6th June at 11.00am-12.30pm- Visit to school and lunchhall

On this day both parents and children are invited in to visit their classroom, meet their teacher and share some lunch together in our lunch hall afterwards. More details of this will be sent out in the coming weeks.

Wednesday 12th June at 3.30pm-4.30pm- Informal Meet and Play in the Nature Playground

We would love to invite our new parents and our new P1 children along to our nature playground at the end of the school day for an informal meet and play. We will put out some play equipment in the playground for the children and supply some tea and coffee for the adults. We felt that this would be a nice, further opportunity for the parents +and children to meet up with one another.

On this day at 4.15pm we will offer the children who are currently **not** attending Riverside Nursery an opportunity to have a short tour of the infant building and the ground floor of the main building.

Children who attend Riverside Nursery will have this opportunity as part of their transition within the nursery day.
